Riding

We consider the Thomaston Dam "home turf". You'll find many of us riding there.

Many of our members are competitive enduro and hare scramble racers; but we all ride recreationally too!

If you are thinking about trying a competition or event for the first time, we have plenty of members willing to help you out.

Community Service

- We are the primary group responsible for maintaining the trails at the Thomaston Dam.
- There are several work parties scheduled throughout the year. Come give us a hand!
- Trail Safety Patrols are conducted to promote responsible riding.
- The PFMC donates much of our proceeds from our events to charities.
- Our annual scholarship fund provides financial assistance to two deserving students.

Getting online with PFMC

Outside of meetings, the Pathfinders website and member forum is an integral part of how we communicate. It is the main portal for organizing club rides, events, and work parties.

Be sure to provide us with an accurate email address so our webmaster can set up your private account. Just send an email to pathfindersmc@yahoo.com. Remember to update your profile information once you log on.

You'll also need to join the club's email listserv. This utility is used to get the word out to the entire membership. You can sign up for the listserv by visiting <http://www.pathfindersmc.org/listserv>
